11/20: Silent Auction

11/23 - 11/27 NO SCHOOL : Thanksgiving
Vacation

Home Fun

Letters and Literacy:

Parent names a letter & child makes that letter with
play dough (if have)

Have child make a "snake" with the dough, then bend
the dough into letter; Parent may need to model this;
(This could be done with yarn, a piece of rope or
clothes line, etc.)

Math Concepts:

Go on a triangle hunt; Parent records what child
finds; (Think food- slices of pizza or pie)

Using anything to make an AAB pattern; (stickers,
chocolate chips & raisins, goldfish crackers & carrots,
change)

Fine Motor Skills:

Child cuts straws and creates letters with the pieces

Happy
Thanksgiving
