Home Fun

Letters and Literacy:

Using magnet letters- parent names a letter, child finds it

Parent pours salt, cornmeal or shaving cream into a flat container, then names a letter and child writes it with finger

Math Concepts:

Go on a circle count in the house, parent helps write that number

Parent empties change out of wallet for child to sort by size- big (quarters), medium (nickels), and small (dimes)

Fine Motor Skills:

Child practices writing their name using a pencil
