

Mrs. Cain's Monthly Newsletter

September 2018

What We Are Learning

Each month we will focus on specific letters, numbers, shapes and colors. This month features:

- letters: **Aa, Ll, Ff,**
- numbers: **1,2**
- shape: **Square**
- colors: **red, yellow, blue**

Our main themes include learning about school routines and manners, getting to know each other, examining our 5 senses, safety and fire fighters, and seasonal topics like apples, trees, flowers, and the changes of the season into fall.

Bible stories will be read, discussed, worked on and sent home weekly to add to our bible storybooks. This month our stories focus on how **awesome** and **amazing** our God is; that God loves us and that we have a **friend** in Jesus.

Upcoming Events

- 9/4 & 9/5: Preschool Orientation Days 9:-11
- 9/6 & 9/7: 1st Regular Day of Preschool 9:-12

Home Fun

Letters and Literacy:

- Using child size scissors cut a particular letter (see letter of the week list) from newspaper or magazines
- Parent writes a letter really big & child glues items onto letter

Math Concepts:

- Count the number of windows in your house, parent helps child write the numeral
- Count the total number of toes in your family, parent helps child write the number

Fine Motor Skills:

- Parent draws lines, some curvy, some straight, child cuts on lines
- String cheerios, fruit loops (whatever you have on hand) onto yarn or thick thread
