11/25 - 11/29 NO SCHOOL : Thanksgiving  
Vacation

## Home Fun

### Letters and Literacy:

Parent names a letter & child makes that letter with play dough (if have)

Have child make a "snake" with the dough, then bend the dough into letter; Parent may need to model this; (This could be done with yarn, a piece of rope or clothes line, etc.)

### Math Concepts:

Go on a triangle hunt; Parent records what child finds; (Think food- slices of pizza or pie)

Using anything to make an AAB pattern; (stickers, chocolate chips & raisins, goldfish crackers & carrots, change)

### Fine Motor Skills:

Child cuts straws and creates letters with the pieces

Happy  
Thanksgiving
