## GRADUATION & End of the Year Program

Our Spring and Graduation Program is the last all school program of the year **and the last day of school for the child**. All children will be performing a special program and those moving on to Kindergarten and First Grade will walk in their Cap n Gowns and receive a Certificate and their own Bible.

**All Children come in at 9am to their classrooms.** Parents are welcome to sit in the sanctuary until the program begins at 9:30 am. Please wear your mask, take your temperature and complete the well check questionnaire as you enter the building. **We do ask that you please RSVP with the number of attendees in your group so we can make proper arrangements for social distancing.**

After the program, families are welcome to bring their own picnic, lawn chairs or blankets to the shelter area to enjoy with your family. We are grateful for your participation in social distancing. We will have plates, napkins, and water to share if you'd like! Kona Ice will be here from 11 to 12 noon. **Each student will receive a ticket for a free snow cone!** Everyone else is able to purchase their own. Don't forget your Camera!

## Mission

Bethany Busy Bee partners with parents and the church to offer families a quality, preschool education in a loving, Christian environment. Deut. 6:6-7

## New School Name

As you all are aware, Bethany Busy Bee Preschool & Kindergarten has added a Toddler Class to it's program. Thereby, we had to update our name again and instead of being Bethany Busy Bee Toddler, Preschool and Kindergarten we opted to re-name the program to "**Bethany Busy Bee Early Learning Center**". It's still a bit long but it covers all ages in our program. Therefore, starting next school year our website and our paperwork will have our new name yet we are the same program.

# Closing Comments

**Parent Feedback:** If you haven't already done so, please return your completed end of the year school evaluation form to the check in center or by email. This information is a great help to us as we plan for the future. Also, please remember that your continuous feedback is always welcome and desired as our mission is to partner with parents, and offer excellence for your children and family.

**Return Preschool Key :** Please return your key cards, preferably by graduation day or before. This ensures we will have a key card available for each parent for next school year. It costs Busy Bee \$5 to replace each of them. Even if you will be returning next year, we void all the cards on the last day of school and will need the actual key card to reset it for the next school year.

**Summer Camps:** If you are signed up for VBS or our Summer Programs, we'd like to have payment before graduation to help us plan for the appropriate staff. We still have space in Vacation Bible School. Invite your neighbors and friends.

**2021 Fall Silent Auction:** We start working on the silent auction over the summer. Keep us in mind if you have any great finds or visit any special places. We will also meet during the summer camps. ***If you volunteer to work 2 days during the summer camps or VBS, you will receive the camp for free.*** Please take some donation request forms with you as you go out and about with your family this summer.

**2021-2022 School Year:** We praise and thank God that the school is **nearly** full for the 2021-2022 school year! However, please continue to tell your friends about Busy Bee so we can fill the openings that remain, especially in our 2.5 year old classes for the fall.

If your child is coming back in September, please remember to return all of your paperwork (physical, immunizations, information & emergency form) along with your **May 2022 pre-paid tuition** before August 1<sup>st</sup>. Please look for emails over the summer to keep posted about teacher home visits and other information pertaining to the start of school. **School orientation is Sept 8 & 9.**

**Summer Hours:** The Busy Bee Preschool Office is open through the summer, **but without regular hours.** Please feel free to email, call us, or stop by, just call ahead to make sure someone will be in the office.

Thank you for all your help through the year with our special events, class projects and fundraisers. It is impossible to recount the many ways you have each been a blessing to us! Thanks for allowing us to be a part of your life!
