BAPTISM BASICS

A PATHWAY TOWARDS BAPTISM

Join us for our Baptism Basics Series. Attend 3 short sessions in which kids, parents, and leaders review and discuss the essential elements of Baptism. Study and discussion materials provided. Upon series completion, engage in a brief but required conversation with our Pastor and Children's Ministry leaders. Baptism candidates are invited to celebrate Baptism with us here at Bethany during our Easter service on April 12th. Parent or other trusted adult participation required during series, thank you.
