Buzzing Bee

Mrs. Mack &
Ms. Heather
Churchman

From Ms. Heather & Mrs. Mack

It has been fun getting to know your child and see them enjoying their preschool expe-rience.

This month we will be making scarecrows, fall patterning, marble painting, dinosaurs, and other fall activi-ties.

Be sure to ask you chil-dren about the Bible story we act out each week. It has been so fun! We sent home your child's new Bible story book. Please add the weekly story to this book. This month we will act out the story of Jarius' sick daughter, David and Goliath, Rahab's care for God's people and participate in a pump-kin illustration about how God can take an ordinary pumpkin, put His light inside so we shine for all to see!

Please check our Busy Bee calendar for de-tails related to Donuts with Dads & our fieldtrip.

October 20 & 21 there will be no school due to parent conferences. Sign Ups for conferences will be shared next week. Each family will have a 30 minute meeting. You will have an oppor-tunity to discuss your child's strengths and any concerns you may have. Childcare will be provided.

Please join us Oct. 26 & 27 10:30-12:00 for Fall Festival at Busy Bee. Fall Festival is an exciting day of games and fun! Look for more information in the up-coming weeks.

Trunk or Treat will take place in the Bethany parking lot on October 31. This FREE out-door event is open to the public from 5:00-7:00. We will have cars lined up with treats, fun carnival-like activities, and supper will be provid-ed. Please come and join in he fun!

Have a great fall!

Mrs. Mack
Ms. Heather
Churchman
