

Buzzing Bee

From Mrs. Mack & Ms. Heather

Rodeo was so much fun! It was so enjoyable to watch the kids feed, ride their horses and, of course, have cowboy food!

Wednesday & Thursday we will have Penguin Day in our classes only!

Please help your child find anything with a penguin on it such as a shirt, stuffed animal, book, candy or print out a picture of a penguin to bring in and share with the class on February 8/9.

This month's Bible stories are some of my favorites. This week we pretended to be princesses lifting Moses out of the Nile and guards keeping the princess safe. Feeding of the 5000, the story of Queen Esther and Moses Parting the Red Sea will finish out the month.

The 14/15th will be full of Valentine Fun! Details for preparing the Valentines and decorating a box are explained below.

low.

February 22/23, will be Pizza & PJ days.

Your child may wear PJ's to school. We will be making our own pizza creations in the classroom and eating them for snack.

Mark your calendar for Parent's Nite Out on Friday, March 10, from 4:30-8:00. This is a great opportunity to have some special time with a spouse or a friend.

Happy Valentine's Day!

Valentine's Activities

This year we are asking parents to help your child decorate a Valentine box at home. A Kleenex box or any other type of box will do to hold their Valentines. Make it a family project and have fun with it! Be as creative as you wish! Please bring in your completed boxes on Feb. 14/15.

In addition to the box, please have your child sign

their Valentines with their name. They may also address the names of their friends on the front of the card, however, if this causes great frustration, then have them write the first letter and then you could complete the name. Another idea is to write the name with a highlighter

and then your child may trace over the letters.

Don't forget to write a love letter to your child. Decorative paper will be in the foyer. You can write it at home or at school. This letter will go in their end-of-the-year scrapbooks.

E-mail/text/call us if you have any questions. It is a busy month but a fun one!
