

Penguin Press

From Mrs. Mack

Valentine's Day celebrations were fun! For PJ & Pizza day the children enjoyed becoming a human pizza based on the book of Pete's A Pizza by William Steig.

We will part the Red Sea like Moses, break chains like Samson, build the temple, baptize Jesus and learn about the Easter using Resurrection Eggs.

In our science lesson we will create

rainbows with everything from CD's to prisms.

If you are new to Busy Bee, your child is in for a treat on March 17 for our St. Patrick's Day celebration. We will

hunt for gold coins in the playground sand, follow a string throughout the building to find the pot of gold and have green food for

snack! It is a very exciting day!

Just a reminder, there will be no school the week of March 27-31 for Spring Break. The following week will be Good Friday so MDO will not be in session.

Happy St. Patrick's Day!
