

Buzzing Bee

From Mrs. Mack & Ms. Churchman

How is it possible that the year is coming to a close? It seems like I just wrote the first newsletter! What a great year it has been!

Our caterpillars will soon emerge out of their chrysalis' and become butterflies! We will enjoy releasing our butterflies on the playground as soon as we have enough warm days! How fun it is to watch them fly away!

Next week we will learn all about ladybugs. We will talk about where ladybugs live, what they eat and who their predators are. In the next week or so your child will bring home their own ladybug. You can

release them in the evening in your yard or in the garden.

Our final Bible stories will be Jonah & The Whale, Zacchaeus and Jesus blessing the children. We will crawl inside of our own Busy Bee Whale, and "climb a tree" to be Zacchaeus. Our final story will be Jesus blessing the children. This gives me the awesome privilege to pray blessings over each child.

Please join us May 24 & 25 at 9:30 for our Busy Bee End-of-the-Year Program & Graduation. Drop off will be at regular time, 9:00. While you await the program,

enjoy the Busy Bee 2022-23 slideshow which will run from 9:00-9:30. All siblings, extended family members and friends are welcome!

Please bring a dish to share for a picnic lunch following our performance. Bounce houses will be available as well so you may wish to bring play clothes for you child to change into.

Thank you for entrusting us with your precious children! It has been a joy partnering with all of you! Have a great summer!
