

MDO NEWS

December

A note from the teacher:

I hope you had an amazing Thanksgiving! I'm so thankful to get to experience the Christmas season with your preschooler this year! Getting to celebrate the miraculous birth of Jesus is made new when you see it through the eyes of a little one!

This month, we'll finish up our Bible unit, God Takes Care of Me. We've had some sweet conversations and have learned a lot about the goodness of God! We will join the other classes on either Wednesday or Thursday for our Christmas program. We've already started practicing our songs!

Mrs. Leah Martin

Upcoming events:

- 12./8 Hat day
- 12/12 Last day for butter braid orders
- 12/20 & 21 Christmas program
- 1/9 School resumes

Snack Sign Ups

Please sign up to bring snack twice this school year. Your child's birthday or half birthday is indicated on the snack sign-ups so you can bring in a treat to celebrate! We ask that you bring snacks from two different food groups, like fruit and cheese, or crackers and applesauce pouches. Thank you so much for your help with this! The snack sign-ups are linked on my teacher page.
