

Buzzing Bee

From Mrs. Mack & Ms. Diana

Rodeo was so much fun! It was so enjoyable to watch the kids feed, ride their horses and, of course, have cowboy food!

I am a penguin lover! Over the next 2 weeks

we will be doing many penguin activities. We will have Penguin Days in our classes only!

Please help your child find anything with a penguin on it such as a shirt, stuffed animal, book, candy or print out a picture of a penguin to bring in and share with the class on February 8 & 9.

This month's Bible stories are some of my favorites. This week we will pretend to be princesses lifting Moses out of the Nile and guards keeping the princess safe. We will be in a boat for the Waves Obey Jesus and we'll be princesses again for the story of Queen Esther. Our pjs will come in handy for the Voices Samuel Heard and Moses Parting the Red Sea will finish out the month.

The 14/15th will be full of Valentine Fun! Details for preparing the Valentines and

decorating a box are explained below. I will send out a class list next week.

February 21/22, will be Pizza & PJ days. Your child may wear

PJ's to school. We will be making our own pizza creations in the classroom and eating them for snack.

Mark your calendar for Parent's Nite Out on Friday, March 15, from 4:30-8:00. This is a great opportunity to have some special time with a spouse or a friend. It's filling up!

Happy Valentine's Day!

- 2/22-L & L "Six Essential Listening Skills for Parents"

Valentine's Activities

This year we are asking parents to help your child decorate a Valentine box at home. A Kleenex box or any other type of box will do to hold their Valentines. Make it a family project and have fun with it! Be as creative as you wish! Please bring in your completed boxes on Feb. 14/15.

In addition to the box, please have your child sign

their Valentines with their name. They may also address the names of their friends on the front of the card, however, if this causes great frustration, then have them write the first letter and then you could complete the name. Another idea is to write the name with a

highlighter and then your child may trace over the letters.

Don't forget to write a love letter to your child. Decorative paper will be in the foyer. You can write it at home or at school. This letter will go in their end-of-the-year scrapbooks.

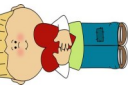

E-mail/text/call us if you have any questions. It is a busy month but a fun one!
