

Buzzing Bee

From Mrs. Mack & Ms. Diana

The month will begin with guinea pigs! Mrs. Mack will be bringing in

her family's guinea pigs. In addition we will have stories and activities about these cute little creatures.

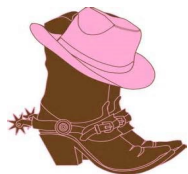

January will have many activities about snow. Snowman, hot cocoa creations and snowflakes will decorate our room. During a story time we will act out the story entitled The Mitten where all the animals try to get in a mitten left in the snow. It is a funny story with a great ending!

We will finish this month with rodeo-themed activities such as puppets, spiral snake, country shadow scene, and western animal projects.

During Bible time, we will play our instruments walking around Jericho until we knock the walls down and then be healed like the paralyzed man. Later in January we will be wrapped up in toilet paper pretending to be Lazarus rising from the dead! January will end with rescuing Moses from the river.

The highlight of the next few weeks

will come at the end of the month with Rodeo Days

January 24-25. Your child may wear cowboy attire on Rodeo Days. We will have many activities such as milking a cow, roping a horse and having a chuck wagon dinner of biscuits and beans.

Please watch for upcoming information about parent teacher conferences. We are ironing out the details and then a Sign Up Genius will go out.

Keep warm and hold on to your hat, January is going to be filled with cowboy fun!
