

# MDO NEWS

February 

## A note from the teacher:

I'm a little shocked that it's February already, knowing that it's a short month and soon it will be March. Once spring break hits, it feels like the school year zooms by!

This month, we will have our Valentine's Day celebration on Friday, February 16. Please have your child decorate a shoebox to put Valentines in, and write their name on 15 Valentines to give to classmates. I'll send out more information this month!

 Mrs. Leah Martin

## Upcoming events:

- 2/9 MDO Muffins with Mom
- 2/10 Love and Logic seminar
- 2/16 Valentine's Celebration
- 2/23 Pizza and Pajama day!

## What We're Learning

Every Friday, your child counts to the number on the calendar (example- we count to 9 on the 9th and 23 on the 23rd). It's amazing to see how they're learning and growing in this area! This month, we'll do some counting and literacy activities with Caps for Sale as well as on Valentine's day!

One of the best things for your child to learn at this age is a wide array of vocabulary words. This will be helpful for communication, as well as for developing reading comprehension. When we learn about new topics and read lots of books, we're developing a broad vocabulary!

## This month:

2/2	Book: Caps For Sale! Counting coins and caps; Bible story: Growing up for God
2/9	Chinese New Year; Dragon Craft; Bible Story: Growing up for God
2/16	Valentine's Day ; love bug craft; Bible story: Growing up for God
2/23	Book: Pete's a Pizza; make a pizza snack; pizza craft; Bible story: Growing up for God
COMING UP	Homeschooling talk with Mrs. Martin March 6th
