March 

A note from the teacher:

Busy Bee has so many fun things planned for us this month, that preparing for each week was easy! We have some fun class celebrations and the most important holiday of them all: Easter!

For our Easter celebration, please bring 12 filled Easter Eggs in an egg carton (dozen-egg size)! The egg carton helps the children easily count to 12! The eggs can be filled with candy or with non-candy items, like stickers. I will also need a couple of volunteers to hide eggs for us. Let me know if you can help on the 22nd!

Upcoming events:

- 3/6 Mrs Martin Homeschooling Talk
- 3/8 Trike-a-thon
- 3/15 St Patrick's Day
- 3/22 Easter celebration

What We're Learning

We've had some big emotions at preschool this year, as is expected! We've been talking about how to handle these big emotions through prayer and strategic breathing. We pray for comfort when we feel sad during the day, and have learned bunny breaths when we're feeling angry.

Bunny breaths: Pretend a bunny is hopping along. Each time the bunny hops, take a quick, shallow breath in. Do this three times until the lungs are filled. Then, let it all out in a big, long exhale.

This month:
