How is it possible that we only have 9 more days left?!? Where did our time go?? I trust you have had a wonderful year and I look forward to hearing about what you did over the summer!

Our classroom caterpillars have now transformed to chrysalis and will emerge as beautiful butterflies. We will release them during recess as it warms up and watch them fly away.

Please join us May 22 at 9:15 for our Busy Bee End of the year spring Program & Graduation. Drop off will be at regular time. At 8:45 – 9:15 there will be a marvelous slideshow. After the ceremony, we'll celebrate by having a potluck luncheon at the pavilion. Please provide a dish to share.
