

MDO NEWS

May

A note from the teacher:

It's hard to believe that this is our last MDO newsletter! I have thoroughly enjoyed this year with your children! We will not have an end-of-the-year program that's specific to Mother's Day Out. If you are a Friday only family, you can bring your student on Tuesday, May 21st or Wednesday, May 22nd to join in with the other classes.

We will not have school on Friday, May 24, since most classes will have had their end-of-the-year programs by then. Our last day of school will be May 17. We will celebrate with a picnic at Milliken Park at 12:00 PM.

Upcoming events:

5/17 Last day of school and Milliken Park meetup

Preschool Books

Preschool books for MDO will be sent home on May 17. We will have a little time to look at them when we meet at Milliken Park! My sons treasure their books from MDO, and I hope your child will, too!

Note that the number of pictures your child has in the book depends on how often they were in class, and how often they participated in special centers we set up. Some children just don't enjoy being in pictures as much as others, as well!
