What is Awana?

For over six decades, the Lord has used the ministry of Awana to reach kids, equip leaders, and change the world. The unchanging truth of the gospel drives the same vision we’ve held all these years to reach children in every corner of the globe as we walk boldly into the future and continue to be used by God to help change the world. We are disciples making disciples. Reaching more than 4 million kids on a weekly basis, God is using Awana around the world to form tomorrow’s Christian leaders from today’s children and youth.
