

Buzzing Bee

From Mrs. Mack & Ms. Diana

The month will begin with guinea pigs! Mrs. Mack will be bringing in her family's guinea pigs. In addition we will have

stories and activities about these adorable little creatures.

January will have many activities about snow. Snowman, hot cocoa creations and snowflakes will decorate our room. During a story time we will act out the story entitled The Mitten where all the animals try to get in a mitten left in the snow. It is a funny story with a great ending!

We will finish this month with rodeo-themed activities such as puppets, spiral snake, country shadow scene, and western animal projects.

During Bible time, we will play our instruments walking around Jericho until we knock the walls down and then be healed like the paralyzed man. Later in January we will be wrapped up in toilet paper pretending to be Lazarus rising from the dead! January will end with rescuing Moses from the river.

The highlight of the next few

weeks will come at the end of the month with Rodeo Days

January 21-22. Your child may wear cowboy attire on Rodeo Days. We will have many activities such as milking & roping a cow and having a chuck wagon dinner of biscuits and beans.

Please watch for upcoming information about parent teacher conferences. A Sign Up Genius link will be sent soon.

Keep warm and hold on to your hat, January is going to be filled with cowboy fun!
