

Classroom NEWSLETTER

Love is in the air this month! What a perfect time to talk about what love means to us. How we love our family and friends. And most importantly how God loves us! This month we will be busy making and sharing valentines, eating pizza in our PJ's, looking at magnets and having a LOVEly Valentine's party.

Reminders

2/13 MDO Valentine Party
2/13 Parents Night Out w/Merry-Andrew Afoot
2/23 Presidents Day
No school
2/27 Pizza and PJ Day
2/25 Easter Butterbraid sales begin

FEBRUARY

OUR LEARNING focus

BIBLE

This month in Bible we will be wrapping up our unit on the Fruit of the Spirit. These last couple weeks we have been focusing not only on the trait we are learning about that week but also how to ask God to help us when it gets hard. And we can do that through prayer. Next we will spend a couple weeks talking about God's love for us and how we can show God that we love him. And then we will start a unit on the days of creation. Bringing us into spring. And what a wonderful season to look at the physical world around us, as we discover how God created the earth and everything on it.

February Bible Verse

"You shall love the Lord your God with all you heart and with all your soul and mind."

Matthew 22:37
