March 23-27 – NO SCHOOL / SPRING BREAK

Please check the all-wide newsletter for more information and volunteer opportunities.

Can you believe we are in March? Where did the time go? March is a wonderful Busy Bee month with many important activities.

Upcoming next week is our Trike-A-Thon! This is a fundraiser for our school.

Your child brought home (Wednesday) their Solar System Planet. In the bag includes a Styrofoam ball, instructions and an information sheet. Each year the children take home a Styrofoam ball to decorate as their special planet. They will return it to class and share it with their friends. We will keep these for our Art Gala in April. They will have 3 full weeks to complete this assignment. Please let me know if you have any questions! This is such a fun project and see how creative they are! They are all so unique and we're looking forward to seeing their creativity!
