

Bethany Busy Bee ELC Trike A Thon 2026!

March 4th & 5th, 2026

Busy Bee Early Learning Center is excited for our LAST fundraiser of the year, our Trike A Thon! Our Annual *Trike-A-Thon* is a fast-paced and fun way to encourage good exercise habits while raising funds for the newly added social and emotional learning activities, additional classroom support, and hands-on experiences that help our little learners thrive.

Join us in our **final push** to meet our budget needs as we strive to offer families an excellent early childhood education in a loving Christian environment.

As this year has progressed, we have added additional learning opportunities and services and therefore our budget needs have also increased leaving us a budget deficit of \$15,700. Through *Trike-A-Thon* we hope to cover that deficit by reaching that goal of \$15,700. All funds raised through *Trike-A-Thon* go directly toward the added learning extensions including Spanish and Science, and the increased need for tuition assistance and security personnel. Thank you for joining us in the effort to provide tools that help your child(ren) grow socially, emotionally, spiritually and academically.

NEW for Trike-A-Thon we have switched to the online fundraising platform Givebuttr to make all our events more streamlined with compatible online & mobile-friendly technology. We thank you for being patient with us as we find just the right platform for our needs.

With this new platform, every family will need to create a new account to register their students. Once you register your student(s), your student's *secure* personal donation page can be shared via email, text, FaceBook, and more. Only the people you share the link with will have access, which is

why it's so important to register your child(ren), share your pages and support our school! We will still accept cash and check donations, too!

→ We ask that **ALL STUDENTS be registered for donation tracking regardless of online or cash & check donations.**

Register your Child(ren) TODAY through this Registration Link:

<https://givebuttr.com/trike-a-thon-2026-tyofiw/join>

Or use the QR code on this page. It's free, easy, and fast to register!

1. Enter Your CHILD's Name and YOUR email.

*if you have multiple students, -

-be sure to use the Registration Link above to register each student

-you will need to register each with a separate email address If you have a "Gmail", try this trick!:

→ First profile – use your email address as normal, ie. example@gmail.com

→ Second profile – add "+1" before the @ symbol, ie. example+1@gmail.com

→ Third profile – add "+2" before the @ symbol, ie. example+2@gmail.com

Emails sent to example+1@gmail.com and example+2@gmail.com will all go to the *parent email address* of example@gmail.com.

You can also use words instead of numbers after the "+". For example, example+henry@gmail.com and example+jen@gmail.com will both forward emails to example@gmail.com. *Please note that this works for Gmail addresses but may not work with other email providers*

2. Select your Child's Teacher to join their team

○ You may leave the "Goal" amount \$0, BUT if every student raises just \$116 we will reach our goal!!

3. Start sharing your child's private fundraising page via email, text, and social media with just a click of an icon from the fundraising page!

Collect Trike-A-Thon donations until Friday, March 20th!

We want to **THANK ALL OF OUR DEDICATED SUPPORTERS** who have already blessed our school by fundraising an **incredible** \$29k of our original yearly budget goal of \$50k, and for the gracious donations which were essential to provide VBS to our families and the community. We could not have done either of those without our community and your amazing support and we are so very grateful.

Please visit the link above or scan the QR code to

******REGISTER TODAY!******

****DONATIONS ARE TAX DEDUCTIBLE AND COULD BE ELIGIBLE FOR EMPLOYER MATCHING!****

***Pledge form on reverse side for cash & check collection if needed.**
