March 2026

"The grass is green across the hill. But yellow blooms the daffodil. It's sunshine on a little stalk. A friendly flower. I bet they talk...  
Of little kids, too long inside. They burst outdoors to play and hide. Tracking mud and bringing bugs. Look, there's footprints on the rug!  
Tiny whirlwinds, these little tykes. They skin their knees while riding bikes. They rip and roar, they're running wild! What fun it is to be a child!"

-EXCERPT FROM "AND NOW IT'S SPRING" BY LITHEAKER

## Class News

Here we are already in March! Wow, it's gone fast!

This month is all about Colors... We will explore colors, mixing colors, rainbows & light. We will have some fun hands-on science activities exploring colors and light, and colorful art projects as we discover God's beauty in the colors of our world.

We will be continuing our Hearts Across America project as we await more mail from around the U.S., and we will write back to our pen-pals in Montana. Checking our class mailbox and looking at our mail map has become a highlight of our days!

Our Trike-A-Thon Fundraiser is 3/4 & 5. This is a fun event where each class rides trikes around the gym to see how many laps they can do! The gym will be transformed with fun scenery, pit stops, and obstacles. Volunteers are needed. Fundraising information went home last week.

St. Patrick's Day will bring some leprechaun mischief, a fun celebration and St. Paddy's Day art on 3/17 & 18. We will round out the month with Spring Break the week of 3/23-3/27 with no school.

## What We're Learning

### Literacy

Letters Ss, Ww, Yy, Ee and their sounds. Name writing. Matching beginning word sounds. Rhyming.

### Math

Recognition of numbers & their quantity, counting to 10. Shape of a diamond

### Science/ socialscience

Rainbows, mixing colors, & Light!  
Hearts Across America continues...

### Art

Rainbow & color art

### Music and Movement

working on following along, rhythm, body awareness, coordination and voice.

### Bible Stories

Ss is for Share and Supper - Jesus shares Supper with his friends  
Ww is for worship - Wisemen Worship baby Jesus  
Yy is for Young - Jesus wants the young children to be near him  
Ee is for Easter - God is Risen!

## Bible Verse

"I can do all things through Christ who strengthens me." Phillipians 4:13

## Important Dates

3/4&5: Trike-a-thon \*\*volunteers needed

3/9-13: Acts of Kindness Community Service

3/11 & 12: School Pictures

3/13: Parent's Nite Out 4:30-8pm

3/17 & 18: St. Patrick's Day Celebrations

3/23 thru 3/27: NO SCHOOL, Spring Vacation

## At Home

- play with mixing colors! paints, colored water, crayons when coloring, & (gulp) Playdoh. Color exploration is so engaging!
- Practice written number and quantity association - connect the written number to the correct number of dots in a circle, toys in a group, etc.
- Keep encouraging your child to practice writing his/her name - the growth in ability to do this is amazing!

## Reminders

- We will go outside for recess unless it is below 20°, weather permitting. Please send your child with a jacket or sweatshirt.
- Continue to send a water bottle & backpack. Please label these items.
- Be sure to check the Class Allergies listed in the snack sign up when bringing snack. Thank you!
