

Buzzing Bee

From Mrs. Mack & Ms. Diana

How is it possible that the year is coming to a close? It seems like I just wrote the first newsletter! What a great year it has been!

Our caterpillars will be turning into butterflies soon! We will wait a few days and then release the butterflies outside.

This week we will learn all about ladybugs, where ladybugs live, what they eat and who their predators are. We will be creating many surprises for Mother's & Father's Day as well. No peeking!

Our final Bible stories are Zacchaeus and Jesus blessing the children. Next

week we "climb a tree" to be Zacchaeus. Our last story is Jesus blessing the children.

This story gives me the awesome privilege of praying blessings over each child. I like to pray for a great kindergarten teacher and good friends and most importantly that they

would know and follow Jesus.

Please join us May 20 & 21 at 9:15 for our Busy Bee End-of-the-Year Spring Program & Graduation. Drop off will be at regular time. While you await the program, enjoy the Busy Bee

2025-26 slideshow which will run from 8:40 -9:15. If your child is in two classes, please have them attend both programs since we love having everyone's voices join together. We can't wait to share his special event with you!

All siblings, extended family members and friends are welcome!

Please bring a dish to share at our potluck picnic following our performance.

Thank you for entrusting us with your precious children! It has been a joy partnering with all of you! Have a great summer!
